

Club incorporation requirements for Fall 2012

Please note that all clubs will be required to provide the National office with proof of having filed their 2011 incorporation filing (changes in directors and officers ie: club executives) by November 15, 2012. If you are not able to provide proof of having filed, please include an explanation with your Insurance Reporting Form. If we do not receive anything from your club by November 15, 2012, your club will no longer be in good standing and possibly face Charter Suspension.

Incorporation booklets to help your club with its filing can be found at <https://www.kinCanada.ca/kinsmen-members/en/members/105/Resources>.

Proof of filing can be faxed to 519-650-1091, e-mailed to mnieson@kinCanada.ca or sent by regular mail at Kin Canada, 1920 Rogers Dr, Box Kin, Cambridge, On, N3H 5C6.

Thank you in advance for your cooperation.
